Latest News

This quarter, we've been working hard on finalising the Regionalisation of our steering groups, which will allow us to continue distributing the Landfill Communities Fund to as many areas as possible. We have also been working on a new set of guidance notes to make our application process as hassle-free as possible for our applicants. In March, we welcomed Alison Salvador to the team (see below). Our latest Annual Review for the record-breaking 2015-16 is now available on our [website](#) or you can request a hard copy via the email address below. Don't forget our new [closing dates](#) for the rest of the year!

Alison Salvador — Fact File

Born in Taunton, Alison spent 14 years living and working in London after graduating from UEA in Norwich. She gained a wealth of experience in Customer Service, People Management and Office Administration, initially in a family-run business and then for a Blue Chip Company. Later, Alison was Head of Client Services for an international news distribution company: PR Newswire before moving back to the Westcountry with her family. Now, Alison lives in Burnham on Sea with her husband and three sons. She is a keen runner and can be found most Saturday mornings volunteering or running at her local parkrun.
